

I am frightened and outraged by the partisan way our public airwaves are being used by Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election!

Media consolidation is obviously extremely dangerous! Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Such blatant partisanship is egregious!

Where can we turn except to the FCC to stop something that is clearly not in the public interest?

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. We citizens expect and need your strong help in thwarting such abuse!

Thank you.
